## ANNOUNCEMENT

**Date:** November 1, 2017  
**Re:** Enhancements to Essent Online Rate Finder

We are pleased to announce an enhancement to Essent Online Rate Finder that will allow you to move directly from a quote to an order for mortgage insurance (MI).

### Highlights of Changes

We have added a **Start MI Order** button at the bottom right of the Quote Results screen.

- When you receive your quote, just select **Start MI Order** to go directly to Essent Online MI Ordering to log in and submit your mortgage insurance application. (Authorization to order MI is required on your user account.)
- The quote ID will automatically populate on the **New Submission** tab in MI Ordering when you use the **Start MI Order** button.

We are confident that you will find these changes beneficial. We value your feedback and we pledge to continue making changes to improve your Essent Online experience.

If you have any questions about Rate Finder or your user account, please contact your Essent account manager or EssentCONNECT at 855.282.1483 | [essentconnect@essent.us](mailto:essentconnect@essent.us).
