Re: Enhancements to Essent Online Rate Finder
Effective: March 25, 2019

We are pleased to announce an enhancement to Essent's Online Rate Finder that will allow us to deliver a more personalized experience and enable Rate Finder to deliver the most accurate rates for your loan scenarios.

Starting next week, you will need to complete a **one-time registration** the next time you access Rate Finder. The process is quick and easy, and requires only a few pieces of information in addition to your company email.

Step 1. Launch Rate Finder and follow the prompts to enter your information.

Step 2. When you receive your confirmation email from EssentCONNECT, click on the link to complete your registration.

Step 3. You are all set. You can start quoting right away or whenever you are ready.*

You can also read our **Rate Finder Tip Sheet**, which is attached to this announcement, to get step-by-step instructions on how to register.

We value your feedback and are committed to continue making changes to improve your Rate Finder experience.

If you have any questions about Rate Finder or your account, please contact your [Essent account manager](#) or EssentCONNECT at 855.282.1483 | essentconnect@essent.us.

*Going forward, we will periodically check in to confirm your email is still valid.
